

WASTE WATCHER®

VERSION 1.1

A Proven Customer Favorite!

The Waste Watcher® series is our most customizable recycling & waste station.

Since being launched in 2008, the Waste Watcher® continues to adapt to any program. As recycling programs often vary from one county to the next — the multi-stream design of the Waste Watcher® can suit anybody's collection needs.

OUR MOST Customizable Containers

- Reduce servicing demands with 6 different capacities to choose from
- Adapts to any recycling program with a wide range of color and lid opening options
- Strategically placed handles help make servicing and relocation smooth and simple
- Inside rounded edges eliminate buildup of dirt and grime in corners
- The customizable graphics are highly visible and help improve your program's presence and participation
- Optional modular wheel dolly allows the station to become mobile
- Simple to install connector kits secure your centralized station

AND THE MOST
Popular!

Build your WASTE WATCHER® Station

The Waste Watcher® series reduces the stress of adding or removing streams, rearranging stations and making adjustments to your program. Being able to alter your program to keep up with the demand of your evolving needs has never been so easy!

Choose your components:

1. Body

- Waste Watcher (16G, 20G, 23G), Waste Watcher XL (24G, 28G, 32G)

2. Lid Opening

- See pages 3 & 4 for available openings

3. Graphics

- Choose from our stock options or customize your own!

4. Optional Accessories

- Sign Frames, Connectors, Wheel Dollies

TAILORED by you

The series can accommodate both single-stream and multi-stream programs; the artistry of the Waste Watcher® is being able to personalize it to your exact needs.

Custom Signage

Do you have a unique stream that we don't offer in our stocked signage? Enlist the help of our in-house graphic designers who can help make your concept a reality.

Custom Labels

Not satisfied with our standard labels? We can design custom labels to suit your recycling & waste requirements.

Add more Graphics

Help increase your brand's corporate social responsibility and exposure by branding your containers.
