

SUSTAINABLE CITY

SERIES

VERSION 1.3

SURPASS YOUR SUSTAINABILITY POTENTIAL

Harsh weather conditions and common wear and tear are no match for this series as exceptional quality is engineered into each container.

At Busch Systems, we've been designing quality products for over 30 years and have been a trusted source for reliable recycling and waste containers. From material sourcing to construction, we make longevity a priority so you don't have to.

Elevate your Corporate Social Responsibility by showcasing your dedication to environmental stewardship; exceed expectations by introducing the Sustainable City series.

THE DENVER

Boost the success of your collection program without taking a large bite out of your budget with this reliable, affordably priced metal bin. The Denver is an admirable option for those looking for a dependable, economical collection container.
